To Inspire and Join Forces with Young People and Uphold Hong Kong;
A cross-generation story to encourage young Hong Kongers

The “Ten Outstanding Young Persons Selection 2018” (TOYP) hosted by the Junior Chamber International Hong Kong will kick off and begin accepting nominations on 21 May 2018. This year’s selection will be based on the theme of “Empowerment”, reflecting that the future of Hong Kong is to be upheld by our young generation of heroes. The project gives formal recognition to young people who excel in their professional endeavors and commitments to the community.

Details of the Selection including list of Judging Panel and the Results of a Public Survey will be unveiled at the Kick off Ceremony. The Organizing Committee studied how Hong Kong people regarded self, outstanding and successful. A promotion video of the "Ten Outstanding Young Persons Selection", featuring a series of inspiring real-life stories of Outstanding Young Persons to encourage the young people in Hong Kong, will also be launched during the event. TOYP awardees including Mr Chung To, Founder of Chi Heng Foundation (HK) and artist Mr Cho Lam Wong will also share their stories during the event.
