(Hong Kong, 5 October 2022) The Junior Chamber International Hong Kong (JCIHK) today named eight local young people, including four men and four women, to the "Ten Outstanding Young Persons Selection 2022" (TOYP Selection 2022). Themed "Rise for the Future", the TOYP Selection 2022 envisions the future of Hong Kong shaped by exceptional, visionary young leaders. The panel of judges for TOYP Selection 2022 is honouring eight awardees, including four men and four women, who share one common outstanding trait while having vastly different experiences and backgrounds: they have all inherited the flexibility, creativity and hard work, that is characteristic to so many Hong Kong people. They have put incessant efforts to unleash their full potential in order to solve problems in the face of obstacles, while pursuing their dreams and a bright future.
